Celebrate
Symmetry

www.itaca.in

We're Itaca Ceramic

Incepted in 2009 with a clear vision to create innovative and uniquely beautiful surfaces that pay homage to those who appreciate luxury, who seek craftsmanship of value, and who seek beauty within the craft, Itaca promotes Italian-based designs for the interior of Indian homes.

Pioneers in producing Wall and Floor Tiles, Itaca stands tall with its superior surfaces where creativity meets craftsmanship, technology fuses with tradition, and western aesthetics merge with artisanal techniques from Italy, Asia & beyond.

The rapid growth in the architecture and interior design industry inspires our team of dedicated employees in production, R&D, marketing, and distributing channels to work with passion and create the best ceramic surfaces that meet the client and market demands in both, domestic and international markets.

Our products embody classical elegance and reflect the beauty of both nature and urban design. This has resulted in quality and diversity that kindles extreme customer satisfaction. With state-of-the-art designs to create the best spaces whilst performing to the highest standards, Itaca is a blend of unmatched functional innovation and aesthetics that are ahead of its time, standard, and style. Come, discover the joy of living with Itaca surfaces!

ITACA[®]
an italian live

Itaca, with its 120x120cm Collection, brings artistic, practical, and functional symmetry to spaces. The collection features a balanced and large size, broadening the application versatility and even coverage horizon. The collection features four different surface variations for a wide range of selections with Super White, Matt, Glossy, and Carving surfaces.

4 Exceptional Surfaces

For a versatile range to choose from for your spaces.

Destination of Use

The 120x120cm Collection from Itaca is well-balanced in aesthetics, functionality, and features and is made for extensive use and versatile application. Built strong, durable, and aesthetic, the collection is ideal for application in residences, public places, hotels, airports, offices, shops, and much more.
